

# FINANCIAL AID REQUEST FORM

As a club, we are first and foremost character and community based. We desire to provide the club soccer experience to as many children in our community as possible. With that in mind, 49er United offers varied forms of financial assistance. The amount of the assistance will vary based on the number of children that apply, but will be limited to \$200 per player. In order to be considered to receive financial aid, there are a couple of different considerations:

1. School Lunch Program: The player's family is eligible for the free or reduced school lunch program. Proof of eligibility from your school district's office for school lunch program will be required.

**OR**

2. Financial Hardship: Please attach a letter explaining your situation (loss of job, temporary hardship, etc). These will be approved on a case by case basis by the Board.
